The offeror would provide services for male and female federal defendants/persons under supervision who have been ordered by the Court to participate in treatment. These individuals include persons on probation, supervised release, or parole, who are under supervision of the United States Probation Office, as well as persons on Pretrial status under the supervision of United States Pretrial Services Office.

For Blanket Purchase Agreements (BPA) which include drug test collections, the offeror is not required to maintain a call-in phone system for the urine collection, as this will be operated by the U.S. Pretrial Services and/or Probation Office. Wage determinations are available within the RFPs that include services for drug test collections.

Request for Proposals (RFPs) can be found on the Central District of Illinois Probation and Pretrial website at <https://www.ilcp.uscourts.gov/solicitations>. The RFP contains the full text of all applicable Government regulations, and all offerors are subject to the provisions contained in the RFP. **In responding to the RFP, you should answer each item and supply all information requested.**

Section L provides specific directions for potential offerors in completing the proposal. **The offeror should fully read Section L and follow the directions set forth.** The minimum standards for the services

listed are contained in the Clauses and Terms of Agreement. All proposals will be evaluated by the criterion explained in Section M. Note if you intend to subcontract any services, instructions are included in Section L the offeror should follow.

A separate RFP must be completed and submitted in entirety for either different types of services or different service areas. Vendors may not submit combined RFPs for different types of services or different service areas. A Solicitation Number (last three digits) that begins with “1” is for substance abuse, “2” is for mental health, “3” is for residential, “4” is for sex offender, and “5” is for cognitive behavior. **Each RFP must be complete and must be returned separately to be considered.**

If you have any questions regarding the RFP, please submit your questions in writing to ILCP_Treatment_Services@ilcp.uscourts.gov. Any and all questions received, with the answers, will be posted to our website. As we receive questions, we will be updating that document so please check back frequently. ***The deadline for questions is July 11, 2025 @ 4:30 pm.***

Proposals will be awarded on the basis of initial offers submitted, and each initial offer should contain your organization’s best terms from a cost and technical standpoint. There will be no additional opportunity to modify your proposal.

Interested vendors must respond on time, and clearly show: (1) they can provide services within the catchment area with a facility available for use, (2) such services will be provided by a professional meeting the criteria required, (3) they can provide all services, including local services, as identified in Section B of the RFP, and (4) prices of such treatment shall be as low or lower than those charged the vendor’s most favored customer for comparable quantities under similar terms and conditions.

Please read the RFP carefully; do not rely on knowledge of previous RFPs, or knowledge of previous Federal procurement procedures. *As a reminder, the offeror must have a physical site within the catchment area (unless otherwise indicated in the RFP), which will be evaluated during an on-site visit.* Note: a catchment area may consist of multiple counties/zip codes, in which case the offeror must have a physical site within at least one of the counties/zip codes identified in that catchment area.

An offeror must be capable of providing **all** services identified in Section B, including local services identified at the end of Section C, and must have a physical site located within the geographic area identified in Section B. If the offeror is unable to provide a service identified in Section B, and does not identify/subcontract with someone to provide the service, the offeror will be technically unacceptable.

The estimated monthly quantity listed in Section B of the RFP is the estimate of the services to be provided during the terms of this agreement. **It is only an estimate.**

Although the Government may choose to enter into a Blanket Purchase Agreement with multiple offerors, the Government reserves the right to award a single offeror.

The term for this Blanket Purchase Agreement is twelve (12) months with a start date of October 1, 2025, with a provision that shall allow the Government to unilaterally extend the agreement for an additional four (4) years, at four (4) twelve (12) month intervals, at the Government's discretion.

Proposals are due by July 15, 2025, at 4:30 pm. Proposals shall be **e-mailed in pdf format** to ILCP_Treatment_Services@ilcp.uscourts.gov. All e-mail submissions must reference in the subject line, the Solicitation number indicated in Section A, Block 1 of the Solicitation/Offer/Acceptance. Hard copies will not be accepted, unless otherwise noted. It is the responsibility of the offeror to confirm the government's receipt of the proposal. Late RFPs **WILL NOT** be accepted.

All proposals must be signed by a representative authorized to commit the offeror to contractual obligations. Electronic signatures are accepted.

A copy of the Blanket Purchase Agreement, Clauses and Terms of Agreement, should be retained by the offeror for their files.

Sincerely,

Kelly McConkey
